## Procedure code conversion chart for home health services

The following table lists the Healthcare Common Procedure Coding System (HCPCS) procedure code or *Current Procedural Terminology* (CPT) code that providers will be required to use when submitting claims for home health services, including respiratory care services. A separate *Wisconsin Medicaid and BadgerCare Update* will notify providers of the specific effective dates for Wisconsin Medicaid's implementation of the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA).
